COURSE DESCRIPTION and OUTCOMES

Discover the world of fashion and enter a world of beauty, style, and promotion. Discuss the history of clothes, the apparel industry, the science and art of apparel and design, and the marketing of clothing. Try your hand at designing and marketing a fashion item or accessory.

This is an online class. But it certainly doesn't mean you can't come and see me or work in my room. You can even post questions to me that way. But a better bet would be to email me your questions as I don't check the Moodle site as often as my email.

Responsibility grades are not included in your academic grade. However, working toward a high level in each area will in turn aid your academic grade.

Read the introduction and then do your assignments that are labeled by day. Save your file into your H drive. In Moodle, browse for your file. Select it. Upload your file to Moodle.

When in the Moodle site do not use the back arrow. Use the tabs across the top of the page.

ATTENDANCE

Set a time and place with a computer where you can do your work. I will arrange so you do not have to come to class daily.

GRADING

1. Grading is done on a point basis. The lowest percentage to receive the given grade is listed below.

A 94%	B 84%	C 74%	D 64%
A- 90%	B- 80%	C- 70%	D- 60%
B+ 87%	C+ 77%	D+ 67%	F 59% and below

2. Summative Assessment (test scores, chapter/unit projects) will be 90% of your grade.

A. Students will have one opportunity to re-take summative assessments and will have five school days to do so. Re-takes will cover the same content but may be in a different format. Students will be expected to initiate a re-take according to the teacher's schedule and must have all formative assessments completed prior to a re-take. A student's re-take score will be add to the score of the first assessment and these two scores will be averaged to serve as their final score for the assessment in question.

B. Students in violation of the district's academic dishonesty policy will have 5 school days to complete an alternative assessment. Time and location of the alternative assessment will be set by me. Choosing to not do the alternative assessment will result in a zero.

C. Each chapter and unit will have a written quiz and a cumulative hands-on project.

3. Daily assignments will be 10% of your grade. Assignments are due the day after they are assigned. It is OK to work ahead of the schedule but do not fall behind!! Online classes require you to use wise time management skills.

I understand the grading policy and classroom rules used in Mrs. Wagner's class and will do my best to see they are followed.
